## MY WEB APP

<https://pan-zieleniak.000webhostapp.com/>

Short website description: Website with the possibility of registration, login, placing fruit, vegetables, dairy products or delicacies, looking for the desired product or ask for availability via the form. A correctly completed form Go to your inbox, most importantly, not as a spam type message. It is also possible to express an opinion on the complex and delivered order or generally adding a review about greenery, also about the site itself. In short way, it is an online grocery store.

[www.lobpreis.pl](http://www.lobpreis.pl)

Short websites description: A website dedicated to the service of transporting goods throughout the territory of the Czech Republic and Poland. This website has the ability to view content in Polish as well as in Czech.
